

# Strategies in Tissue Engineering

June 13-16, 2004 Congress Center Würzburg

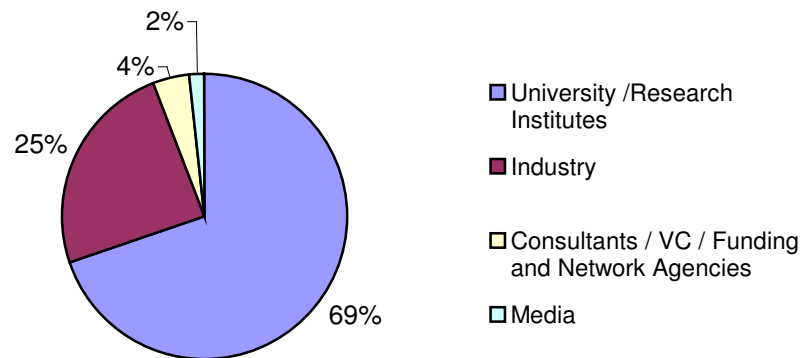

[www.wite.org/site](http://www.wite.org/site)

|                          |  |
|--------------------------|--|
| <b>Participants</b>      | <b>469</b>                                     |
| <b>Key note lectures</b> | <b>29</b>                                      |
| <b>Short talks</b>       | <b>87</b>                                      |
| <b>Posters</b>           | <b>94</b><br>(4 withdrawn, 8 no show)          |
| <b>Exhibitors</b>        | <b>28</b><br>(7 at booth of BioMedTec Franken) |

**Geographic origin of participants (total numbers)**

**Participants by Affiliation**

| <b>Universities and Research Institutes</b> |   | <b>Country</b> |
|---|---|----------------|
| 1.  | Linz  | A              |
| 2.  | Wien  | A              |
| 3.  | Wien, Ludwig-Boltzmann-Institut   | A              |
| 4.  | Wien, University of Dentistry   | A              |
| 5.  | Toronto   | CDN            |
| 6.  | Aachen  | D              |
| 7.  | Aachen, FH  | D              |
| 8.  | Bayreuth  | D              |
| 9.  | Berlin, Charite   | D              |
| 10.   | Berlin, Humboldt University   | D              |
| 11.   | Berlin, German Institute of Cell and Tissue Replacement                         | D              |
| 12.   | Braunschweig, GBF   | D              |
| 13.   | Denkendorf, Institut für Textil- und Verfahrenstechnik                          | D              |
| 14.   | Dresden, TU   | D              |
| 15.   | Dresden, FZ-Rossendorf  | D              |
| 16.   | Freiburg  | D              |
| 17.   | fzmb e.V.   | D              |
| 18.   | Gatersleben, Institute of Plant Genetics and Crop Plant Research (IPK)          | D              |
| 19.   | Giessen   | D              |
| 20.   | Göttingen   | D              |
| 21.   | Halle, BG Clinic Bergmannstrost   | D              |
| 22.   | Hamburg, UKE  | D              |
| 23.   | Hamburg-Harburg   | D              |
| 24.   | Hannover, Medizinische Hochschule   | D              |
| 25.   | Hannover, Tierärztliche Hochschule  | D              |
| 26.   | Heidelberg/Mannheim   | D              |
| 27.   | Heidelberg, DKFZ  | D              |
| 28.   | Heiligenstadt, Institut für Bioprozess- und Analysenmesstechnik e.V.            | D              |
| 29.   | Jena  | D              |
| 30.   | Jülich, Forschungszentrum   | D              |
| 31.   | Karlsruhe, Forschungszentrum  | D              |
| 32.   | Lausitz - University of Applied Sciences  | D              |
| 33.   | Leipzig   | D              |
| 34.   | Lübeck  | D              |
| 35.   | Mainz   | D              |
| 36.   | München, LMU  | D              |
| 37.   | München, TU, Klinikum rechts der Isar   | D              |
| 38.   | Münster   | D              |
| 39.   | Regensburg  | D              |
| 40.   | Reutlingen, NMI   | D              |
| 41.   | Rostock   | D              |
| 42.   | Saarland University   | D              |
| 43.   | Teltow, GKSS-Forschungszentrum  | D              |
| 44.   | Tübingen  | D              |
| 45.   | Ulm   | D              |
| 46.   | Würzburg  | D              |
| 47.   | Odense, KMEB  | DK             |
| 48.   | London, Imperial College of Science, Technology and Medicine                    | GB             |
| 49.   | London, University College  | GB             |
| 50.   | London, University of Westminster   | GB             |
| 51.   | Nottingham  | GB             |
| 52.   | Oxford  | GB             |
| 53.   | Hong Kong   | HOK            |
| 54.   | Ancona, Polytechnic University of Marche and INFM                               | I              |
| 55.   | Bergamo, Mario Negri Institute  | I              |
| 56.   | Mailand, SG Hospital  | I              |
| 57.   | Pisa  | I              |
| 58.   | Rende, National Research Council, ITM-CNR                                       | I              |
| 59.   | Rom, Universita "La Sapienza"   | I              |
| 60.   | Galway, National University of Ireland  | IRL            |
| 61.   | Haifa, Technion- Israel Institute of Technology                                 | IS             |
| 62.   | Jerusalem, Alexander Silberman Institute of Life Sciences                       | IS             |
| 63.   | Tel Aviv  | IS             |
| 64.   | Amsterdam, VU University  | NL             |
| 65.   | Bydgoszcz, Ludvig Rydygier Medical University                                   | PL             |
| 66.   | Seoul, Korea University   | ROK            |
| 67.   | Uppsala   | S              |
| 68.   | Singapur  | SGP            |
| 69.   | Kiew  | UA             |
| 70.   | Odessa State Medical University   | UA             |
| 71.   | Baltimore, John Hopkins University  | USA            |
| 72.   | Bethesda, National Institute of Health  | USA            |
| 73.   | Bethesda, National Institute of Arthritis and Musculoskeletal and Skin Diseases | USA            |
| 74.   | Boston, Harvard   | USA            |
| 75.   | Cambridge   | USA            |

|   |     |
|---|-----|
| 76. Evanston, Northwestern University                       | USA |
| 77. Philadelphia, Drexel University                         | USA |
| 78. Pittsburgh, McGowan Institute for Regenerative Medicine | USA |
| 79. Rochester, Mayo Clinic                                  | USA |
| 80. Virginia  | USA |

| <b>Companies</b> (exhibitors underlined)   | <b>Country</b> |
|--|----------------|
| 1. Huapu Biotech, Inc (Qingdao, China)   | China          |
| 2. TBF, banque de Tissus   | France         |
| 3. ALVITO Biotechnologie GmbH (Kleinmachnow)   | D              |
| 4. AmChem Consult (Krailling)  | D              |
| 5. <u>Ars Arthro AG (Esslingen)</u>  | D              |
| 6. <u>Baxter Deutschland GmbH (Heidelberg)</u>                                       | D              |
| 7. <u>BD Biosciences (Heidelberg)</u>  | D              |
| 8. <u>BioChem GmbH (Karlsruhe)</u>   | D              |
| 9. <u>Biomet Merck BioMaterials GmbH (Frankfurt)</u>                                 | D              |
| 10. Biotronik (Erlangen)   | D              |
| 11. CellGenix Technologie Transfer GmbH (Freiburg)                                   | D              |
| 12. <u>Cellmed (Alzenau)</u>   | D              |
| 13. CellSystems GmbH (St. Katharinen)  | D              |
| 14. Celltec GmbH (Hamburg)   | D              |
| 15. <u>Centerpulse Germany GmbH (Freiburg)</u>                                       | D              |
| 16. <u>Ceraver Deutschland GmbH (Bad Vilbel)</u>                                     | D              |
| 17. Clifford Chance (Düsseldorf)   | D              |
| 18. <u>co.don AG (Teltow)</u>  | D              |
| 19. <u>Dunn Labortechnik GmbH (Asbach)</u>   | D              |
| 20. EHRET Labor & Pharmatechnik (Emmendingen)  | D              |
| 21. <u>euroderm GmbH (Leipzig)</u>   | D              |
| 22. febit ag (Mannheim)  | D              |
| 23. Fraunhofer Institut für Biomedizinische Technik (IBMT) (St. Ingbert/Saar)        | D              |
| 24. Fraunhofer-Institut für Elektronenstrahl- und Plasmatechnik (FEP) (Dresden)      | D              |
| 25. Fraunhofer-Institut für Grenzflächen- und Bioverfahrenstechnik (IGB) (Stuttgart) | D              |
| 26. Fraunhofer Institut Lasertechnik (ILT) (Aachen)                                  | D              |
| 27. Fresenius Biotech GmbH (Bad Homburg)   | D              |
| 28. <u>Friedrich-Baur-Forschungsinstitut für Biomaterialien (FBI)</u>                | D              |
| 29. Gambro Dialysatoren (Hechingen)  | D              |
| 30. Heart BioSystems GmbH (Heidelberg)   | D              |
| 31. <u>Ibidi/co Quantifoil Instruments GmbH (Jena)</u>                               | D              |
| 32. IMTM GmbH (Rottmersleben)  | D              |
| 33. <u>Innowep GmbH (Würzburg)</u>   | D              |
| 34. <u>Institut für Medizintechnologie Magdeburg GmbH</u>                            | D              |
| 35. Institut für Mikrotechnik Mainz GmbH   | D              |
| 36. IN VITRO BIOTEC GmbH (Stuttgart)   | D              |
| 37. JOTEC GmbH (Hechingen)   | D              |
| 38. Kourion Therapeutics AG (Langenfeld)   | D              |
| 39. Kunststoff-Zentrum in Leipzig (Leipzig)  | D              |
| 40. <u>LSMW GmbH (Nürnberg)</u>  | D              |
| 41. Matricel GmbH (Herzogenrath)   | D              |
| 42. Millipore (Schwalbach)   | D              |
| 43. <u>Miltenyi Biotec GmbH (Bergisch-Gladbach)</u>                                  | D              |
| 44. <u>Neue Materialien Würzburg GmbH (Würzburg)</u>                                 | D              |
| 45. NeuroProgen GmbH (Leipzig)   | D              |
| 46. PAUL HARTMANN AG (Heidenheim)  | D              |
| 47. <u>Quantifoil Instruments GmbH (Jena)</u>  | D              |
| 48. ProBioGen AG (Berlin)  | D              |
| 49. <u>R&amp;D Systems GmbH (Wiesbaden)</u>  | D              |
| 50. <u>Serva Electrophoresis GmbH (Heidelberg)</u>                                   | D              |
| 51. Scil Proteins GmbH (Halle)   | D              |
| 52. SCIL Technology (Martinsried)  | D              |
| 53. <u>Verigen AG (Leverkusen)</u>   | D              |
| 54. <u>Zellera AG (Berlin)</u>   | D              |
| 55. SB Technology  | I              |
| 56. Teijin Ltd   | J              |
| 57. <u>Cellon S.A. (Bereldange, Luxemburg)</u>                                       | L              |
| 58. NUNC A/S   | NL             |
| 59. Millenium Biologix AG  | CH             |
| 60. PI Precision Implants AG   | CH             |
| 61. Smith & Nephew   | UK             |
| 62. Tissueinformatics Inc.   | USA            |
